Parent Partnership Policy

We recognise the importance of ensuring we have a strong partnership with parents, and value parental involvement in the life of the school. Throughout this policy the term 'parent' is used to refer to parents, guardians and carers.

We believe that education is a collaborative enterprise involving parents, staff, children, governors, the Local Authority and a range of other agencies. We are committed to establishing and maintaining an effective and purposeful working relationship between OHM Sports & Fitness Ltd and home

We aim to:

- have a strong partnership with all parents
- ensure that all communication with parents is effective, clear and jargon free
- actively involve parents in the education and progress of their child
- make good use of parents' expertise and willingness to enhance their own learning and that of their own child and other children and to actively involve them.
- provide an effective induction for all groups of parents
- establish, and act upon, the views and opinions of parents

To have a strong partnership and good communication with parents/carers informing them about what is happening in our provisions, we:

- ensure that all written communication is "user friendly", useful and informative.
- publish regular informative newsletters
- maintain and develop our website, ensuring that it is updated on a daily basis

To actively involve parents/carers in progress and well-being of their child we:

- seek to ensure that all relevant policies are effective and easy to read; key policies are available on our website and as hard copies
- involve parents in supporting their child's behaviour and well-being (refer to our Behaviour Policy)

To provide good induction for all groups of parents/carers we:

- ensure that our website is detailed, informative and up to date
- ensure that our social accounts are detailed, informative and up to date
- ensure information is produced and distributed appropriately, taking account of parental needs and views

To establish the views and opinions of parents/carers we:

- ask parents to evaluate provisions.
- consult on key policies and procedures (e.g. this policy, our Dress Code, our Sex and Relationships Policy etc).
